

Silver SMT Double Sensor Splice Tape for FUJI GSM28 Series in SMT Process

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSM2808/GSM2812/GSM2816/GSM2824
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 26*40*10mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: GS
- Material: PET
- Model Number: GSM2808/GSM2812/GSM2816/GSM2824
- Product Name: SMT Double Sensor Splice Tape
- Application: SMT Process
- Customization: Support
- Highlight: **FUJI SMT Splice Tape, GSM28 SMT Splice Tape, Silver Double Sensor Splice Tape**

Product Description

GSM28 Series Silver SMT Double Sensor Splice Tape For FUJI

GSM28 Series Silver SMT Double Sensor Splice Tape is designed for Fuji machines with intelligent feeders. Each size features placement holes for use with alignment jigs, ensuring precise splicing.

Detailed Instructions for Use

Prepare the Carrier Tapes

Cutting: Use a precise cutting tool to accurately cut the carrier tapes at the desired splice point. Ensure clean, straight cuts for seamless joining.

Prepare the Splice Tape

Remove the Release Liner: Carefully remove the liner to expose the adhesive side, ensuring a strong bond between carrier tapes and splice tape.

Align the Carrier Tapes

Align with Placement Holes: Position cut carrier tapes (cover tape facing down) with the splice tape's placement holes for proper alignment.

Apply the First Strip

Attach to Splice Tape: Place ends of joining carrier tapes onto the first strip, ensuring full adhesive contact and proper alignment.

Secure the Splice

Fold Over and Press: Fold the second strip over the underside of carrier tapes and press firmly to create a strong bond.

Finalize the Splice

Remove Clear Plastic Cover: Discard the clear plastic cover to complete the splice, making it ready for feeding into the FUJI machine.

Part (reel)	Dimensions (pc)	Package(box)
GSM2808 (8mm)	4.5/7.5mm x 38mm	500pcs
GSM2812 (12mm)	8.5/11.5 mm x 38mm	500pcs
GSM2816 (16mm)	15.5/13 mm x 38mm	500pcs
GSM2824 (24mm)	21/24 mm x 38mm	250pcs
