

Lightweight Blue SMT Splicing Cutter with Sawtooth Clip for Precision Tape Cutting

Our Product Introduction

for more products please visit us on smtmachine-spareparts.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSMTL70
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 20cmx 8cm x 5cm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: GS
- Model Number: GSMTL70
- Product Name: SMT Machine Tools Splicing Cutter
- Dimensions (pc): 17cmx 4.5cm X 3cm
- Material: SMT Process
- Customization: Support
- Weight: 0.1kg
- Lead Time: 1-7 Days
- Highlight: **Lightweight SMT Machine Tools, Blue SMT Machine Tools, Lightweight SMT Splicing Cutter**

Product Description

Lightweight Blue SMT Machine Tools Splicing Cutter GSMTL70

The GSMTL70 Splicing Scissor is a high-quality, lightweight tool designed for precision and convenience in electronic assembly. Featuring a sawtooth clip and a unique positioning function, this splicing scissor is ideal for cutting and aligning all sizes of carrier tape accurately.

Applications:

- Straight Cuts on 8mm Component Reels: Guarantees a perfect cut every time.
- Unique Pin Guides: Provides accurate cutting with precise alignment.
- Carrier Tape Accuracy: Ensures tapes are cut and spliced with high precision.

Advantages:

- Improved Alignment: Placement pin guides enhance splicing accuracy.
- Safety Clamp: Keeps the scissors securely closed when not in use.
- Comfortable Grip: Lightweight and ergonomically designed for ease of use.

Instructions:

- Open Safety Clamp: Release the safety clamp to spring open the scissors.
- Position Tape: Place the component carrier tape on the pitch placement pin guides.
- Cut Tape: Squeeze the handle to make an accurate cut on the carrier tape.

The GSMTL70 Splicing Scissor is an essential tool for any electronics manufacturing setup, offering precision, safety, and ease of use for all your splicing needs. Ensure perfect splices and alignment every time with this expertly designed tool.
