

ESD SMT Splice Cutter Tool with Lightweight Design and 18cm X 7cm X 1cm Dimensions for SMT Process

Our Product Introduction

for more products please visit us on smtmachine-spareparts.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSMTL110
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 22cm X 10cm X 5cm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: GS
- Model Number: GSMTL110
- Product Name: SMT Cutting Tool
- Dimensions (pc): 18cm X 7cm X 1cm
- Material: Steel Tool Body+Rubber Handle
- Application: SMT Process
- Customization: Support
- Lead Time: 1-3 Days
- Highlight: **ESD SMT Splice Cutter, Sharp SMT Splice Cutter, Sharp SMT Scissor**

Product Description

ESD SMT Splice Cutter Tool Sharp SMT Scissor GSMTL110 Customized

GSMTL110 ESD SMT Splice Cutter Tool Sharp Scissor

GSMTL110 ESD Scissor is a convenient splice scissor with sawtooth design, suitable for all size carrier tape and splice applications. Its sawtooth clip ensures perfect combination of materials.

Key Advantages

- **Sharp Scissors for Smooth Cutting:** Precision-engineered blades ensure effortless cutting for intricate tasks.
- **ESD Plastic Handle:** Designed for comfort and safety, minimizing static electricity discharge in sensitive environments.
- **Lightweight Design:** Easy to maneuver for extended periods without fatigue, enhancing productivity.
- **Durable Construction:** High-quality stainless steel ensures long service life and reliable performance.

Versatile Applications

- **Industrial Settings:** Perfect for cutting and splicing SMT carrier tapes with precision.
- **Crafts and Hobbies:** Ideal for cutting fabrics, papers, and other crafting materials.
- **Office Use:** Suitable for everyday tasks like cutting tape and photos with professional results.

User-Friendly Features

- **Safety Clamp:** Easy activation with spring mechanism for immediate use.
- **Spring Design:** Buffers vibrations during use for steady, precise cutting.
- **Low Maintenance:** Ready for use at all times, enhancing workflow efficiency.

The GSMTL110 ESD Scissor sets the standard for cutting precision and durability. With its high-quality construction and ergonomic design, it meets the demands of modern production environments while excelling in craftsmanship and reliability. Invest in precision and durability with the GSMTL110 ESD Scissor for all your cutting and splicing needs.
