

N610122119AA Panasonic SMT Light Weight High Speed Head 12 NOZZLE N610122121AA

Our Product Introduction

for more products please visit us on smtmachine-spareparts.com

Basic Information

- Place of Origin: China/Japan
- Brand Name: Panasonic
- Model Number: N610122119AA/N610122121AA
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 600*900*400cm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: Panasonic
- Model Number 1: N610122119AA
- Model Number 2: N610122121AA
- Product Name: LIGHT WEIGHT HIGH SPEED HEAD
- Condition: Original New/Used Original
- Lead Time: 1-7 Days
- Highlight: SMT Light Weight High Speed Head, N610122119AA, N610122121AA

Product Description

N610122119AA Panasonic SMT Light Weight High Speed Head

The N610122119AA is a cutting-edge component designed for Panasonic's Surface Mount Technology (SMT) assembly machines. This light-weight, high-speed head is engineered to enhance productivity and precision in PCB manufacturing. With its innovative design, the N610122119AA delivers exceptional performance, allowing for rapid placement of components on circuit boards while maintaining unparalleled accuracy.

Key Features:

- 1.Light Weight Design:** The N610122119AA features a lightweight construction that minimizes stress on the machine, enabling faster operation without sacrificing stability. This design is crucial for high-speed applications, reducing cycle times and increasing throughput.
- 2.High-Speed Operation:** Engineered for efficiency, this SMT head supports high-speed pick-and-place operations. Its advanced mechanics ensure quick component handling, making it ideal for large-scale manufacturing environments where time is of the essence.
- 3.Versatility:** Compatible with various Panasonic SMT machines, the N610122119AA is suitable for a wide range of applications, from small electronics to complex assemblies. This versatility makes it a valuable asset in diverse manufacturing settings.
- 4.Precision Engineering:** The N610122119AA is crafted with precision components that ensure accurate placement of various surface mount devices (SMDs). Its reliability contributes to the reduction of defects and rework, ultimately leading to higher product quality.
- 5.Easy Maintenance:** Designed for user-friendly operation, this high-speed head facilitates easy maintenance and quick part replacement, minimizing downtime and optimizing operational efficiency.
