

SMT Panasonic Light Weight 16 Nozzle Head N610159868AA MTKA005670AA

Basic Information

- Place of Origin: Japan
- Brand Name: Panasonic
- Model Number: N610159868AA/MTKA005670AA
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 600*900*400cm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Brand Name: Panasonic
- Product Name: Light Weight 16 Nozzle Head
- Model Number 1: N610159868AA
- Model Number 2: MTKA005670AA
- Condition: Original New/Used Original
- Lead Time: 1-7 Days
- Highlight: SMT 16 Nozzle Hea, N610159868AA, MTKA005670AA

Product Description

N610159868AA SMT Panasonic Light Weight 16 Nozzle Head (MTKA005670AA)

Upgrade your surface mount technology (SMT) assembly line with the N610159868AA, a state-of-the-art light weight 16 nozzle head designed specifically for Panasonic SMT machines. This advanced nozzle head enhances precision and efficiency, making it an essential component for high-performance PCB assembly processes.

Crafted with high-quality materials, the N610159868AA nozzle head features a lightweight design that minimizes wear and tear on your equipment while maximizing speed and accuracy. The 16 nozzle configuration allows for simultaneous placement of multiple components, significantly reducing cycle times and increasing throughput. Whether you are working with small, intricate components or larger devices, this nozzle head provides versatility and adaptability to meet the demands of modern manufacturing.

The N610159868AA is engineered for compatibility with a wide range of Panasonic SMT equipment, ensuring seamless integration into your existing setup. Its user-friendly design facilitates quick and easy changes, allowing operators to maintain productivity without extensive downtime. Each nozzle is meticulously calibrated to ensure optimal performance, delivering consistent results with every production run.

In addition to its operational advantages, this nozzle head is designed with durability in mind. Its robust construction withstands the rigors of high-speed assembly lines, providing reliable performance even under the most demanding conditions. Regular maintenance is straightforward, ensuring that your SMT processes remain uninterrupted and efficient.

Investing in the N610159868AA SMT Panasonic Light Weight 16 Nozzle Head not only enhances your production capabilities but also contributes to overall cost efficiency. By reducing the need for frequent replacements and minimizing material waste, this nozzle head supports sustainable manufacturing practices while improving your bottom line.
