

Siemens Spare Parts FORK LIGHT BARRIER with Synchronizing Gear 2 00200193-02 Ball Bearing 1 00200335S01 and Toothed-Synchroflex Belt 00200333-01

Basic Information

- Place of Origin: Germany
- Brand Name: ASM/SIEMENS
- Model Number: 00306388-02/00306388S02/00306388
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 10*10*5
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Ball Bearing 3: 00200338-01
- Ball Bearing 1: 00200335S01
- Synchronizing Disk: 00200194-01
- Product Category: SMT Machine Spare Parts
- Product Name: FORK LIGHT BARRIER
- Synchronizing Gear 1: 00200192S02
- Toothed-Synchroflex Belt: 00200333-01
- Ball Bearing 2: 00200337-01
- Highlight: Siemens Synchronizing Gear, 00200193-02, 00200195-01

Product Description

Siemens Spare Parts Synchronizing Gear 2 00200193-02 Washer 00200195-01

Product Overview

This high-performance product enhances the efficiency and accuracy of SMT machines. Designed for optimal performance and durability, it includes premium components specifically engineered for the FORK LIGHT BARRIER system.

Key Components

Synchronizing Gear 1: 00200192S02
Ball Bearing 1: 00200335S01
Model Number 3: 00308620
Model Number 2: 00308620-02

Product Features

Product Name: FORK LIGHT BARRIER
Du-Washer: 00200198-01
Product Category: SMT Machine Spare Parts
Coupler Socket: 00200242-01
Model Number 2: 00308620-02
Brand: Siemens

Technical Specifications

Component	Part Number
Wrench	00200468-02
Feeder Sensor	00308620
Condition	Original New/Used Original
Du-Washer	00200198-01
Ball Bearing 2	00200337-01
Mount for Motor	00200294-04
Toothed-Synchroflex Belt	00200333-01
Synchronizing Gear 2	00200193-02
Ball Bearing 1	00200335S01
Compression Spring	00200342-01

Applications

These ASM/SIEMENS SMT machine spare parts are essential components for Surface Mount Technology equipment, widely used in:

Electronic Assembly Equipment
SMT Mounting Machine Components
Printed Circuit Board Assembly
Automatic Placement Machinery
SMT Assembly Line Maintenance

Support & Services

Installation support
Maintenance and repair services
Remote technical support
On-site troubleshooting
Operator and technician training

Packaging & Shipping

Packaging

- Secure cardboard box packaging with proper cushioning
- Clear product labeling with quantity information
- Durable packaging designed for transit protection

Shipping

- Shipped via trusted courier services
- Estimated delivery: 5-7 business days
- Tracking number provided upon shipment
- Shipping charges vary by destination and weight

Frequently Asked Questions

Q1: What is the Brand Name of the SMT Machine Spare Parts?

A1: ASM/SIEMENS

Q2: What is the Model Number of the SMT Machine Spare Parts?

A2: 00306388-02/00306388S02/00306388

Q3: What is the Place of Origin?

A3: Germany

Q4: What is the Minimum Order Quantity?

A4: 1 PCS

Q5: What are the Payment Terms?

A5: T/T

Order Information

Price: USD (negotiable per piece)

Supply Ability: 1 piece per day

Delivery Time: 1-7 days

Packaging Details: 10*10*5 cm
