

GSCJ-8301B1 SMT PCB Magazine Rack with 50 PCB Slots Adjustable Width 35-250 mm and 5 Sheets Side Board Structure

Our Product Introduction

for more products please visit us on smtmachine-spareparts.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GSCJ-8301B1
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 380*350*600mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Size: 355 X 320 X 563 Mm
- Adjustment Type: Handle
- Slot Depth: 3.5 Mm
- Slot Width: 5 Mm
- Pitch: 10 Mm
- PCB Slots: 50
- Reference Position: A34 Mm, B34 Mm
- Adjustable Width: 35-250 Mm
- Side Board Structure: 5 Sheets
- Weight: 5.51kg
- Highlight: **SMT PCB Magazine, PCB Magazine Rack, PCB SMT Magazine Rack**

Product Description

GSCJ-8301B1 SMT PCB Magazine Loader And Unloader Rack PCB Circuit Board Rack

Installation Guide

Install the Rack: Ensure the rack is aligned and flush with the base plate.

Secure the Columns: Use screws to fix the four columns firmly.

Attach the Side Panel: Align the holes and tighten the screws.

Position the Movable Side Panel: Ensure the bottom edge is close to the rack.

Install the Base Plate: Push the circular pin of the latch upward and move the side panel.

Install the Stopper: Attach it at the spring position, facing downward.

Special Note: Pay attention to steps 4 and 5. The circular pin of the latch must align precisely with the circular hole on the base plate. Accurate positioning is crucial to avoid misalignment; ensure synchronization in all directions.
