

Integrated Dismantling And Planting Machine

Basic Information

- Place of Origin: China
- Brand Name: GS
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 2000*1200*1700mm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Dimensions: 1900*1100*1600mm
- Applicable PCB Board Size: 200*180mm (size Is Not Limited, Other Sizes Can Be Customized According To Customer Requirements)
- Applicable Fixture Size: 250*220 (length*width) (size Is Not Limited, Other Sizes Can Be Customized According To Customer Requirements)
- Condition: Original New
- Highlight: **Integrated Dismantling And Planting Machine**

Product Description

Dismantling and Planting Integrated Machine

Application:

The integrated board dismantling and implanting machine is composed of an automatic board implanting machine, an automatic board dismantling machine, a temporary storage machine, a board flipping machine and a board loading machine. It is used on the SMT production line to automatically turn up and down, flip PCB boards and semi-finished boards, automatically store fixtures, and has a fully automatic circulation storage system
