

6-layer Drone PCB with Metal Cladding and 4oz Copper Thickness Using Shengyi TG170 Material

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: GS6CWRJJSBBB
- Minimum Order Quantity: 1PCS
- Price: USD+negotiable+pcs
- Packaging Details: 20*20*10cm
- Delivery Time: 5-15 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Highlight: PCB Manufacturing drone metal cladding panel , 6-layer SMT PCB Manufacturing, drone metal cladding panel

Product Description

SMT PCB Manufacturing 6-layer Drone Metal Cladding Panel

Product Specifications

6-layer half-hole metal cladding plate

Shengyi TG170 material

Inner and outer layer copper thickness: 4oz
