

Panasonic P8S Electric Tape Feeder for SMT Machines 8MM Tape

Our Product Introduction

for more products please visit us on smtmachine-spareparts.com

Basic Information

- Place of Origin: China
- Brand Name: GS
- Model Number: P8S
- Minimum Order Quantity: 1 PCS
- Price: USD+negotiable+pcs
- Packaging Details: 80*45*50cm
- Delivery Time: 1-7 days
- Payment Terms: T/T
- Supply Ability: 1+pcs+per days

Product Specification

- Name: Tape Feeder Electric Tape Feeding Machine
- Model: P8S
- Supply Voltage: DC24V
- Power: 20W
- Applicable Tape: 8MM PAPER/EMBOSS
- Device Range: 0201-1614 (Imperial System)
- Feeding Accuracy: +0.03MM(CPK>=1)
- Feeding Speed: Maximum Speed 22 Times Per Second
- Feeding Method: Electric Feeding
- Feeding Trough Depth: 3.5MM
- Applicable Models: Panasonic SMT Machine DT401/402 AM100 D1 / D2 / D3 / D3A/DX/W1 / W2 / TT1 / TT2
- Packaging Method: 5 Pieces Per Box (13.7KG)
- Net Weight Of The Product: 2.45KG
- Condition: New

Product Description

Panasonic P8S Electric Tape Feeder Device Range 0201-1614 Imperial System Net Weight 2.45KG

Product Specifications

| Attribute | Value |
|---------------------------|---|
| Name | Tape Feeder Electric Tape Feeding Machine |
| Model | P8S |
| Supply voltage | DC24V |
| Power | 20W |
| Applicable tape | 8MM PAPER/EMBOSS |
| Device range | 0201-1614 (Imperial system) |
| Feeding accuracy | +0.03MM(CPK>=1) |
| Feeding speed | Maximum speed 22 times per second |
| Feeding method | Electric feeding |
| Feeding trough depth | 3.5MM |
| Applicable models | Panasonic SMT machine DT401/402 AM100 D1 / D2 / D3 / D3A/DX/W1 / W2 / TT1 / TT2 |
| Packaging method | 5 pieces per box (13.7KG) |
| Net weight of the product | 2.45KG |
| Condition | New |

Product Description

Panasonic P8S Electric Tape Feeder for precision SMT component placement applications.

Key Features

- Fully compatible with original factory feeders
- Interchangeable with original factory feeders
- Brushless motor design for extended service life in high-load applications (e.g., LED advertising screens)
- Reduced maintenance frequency and lower labor costs
- Integrated fine-tuning key for easy suction position calibration directly on SMT machines
- Adjustable suction position for precise synchronous component pickup
- Stable feeding operation with minimal noise and low material rejection rate

SMT Global Soul Limited Advantage

European supplier of SMT feeders offering comprehensive solutions for global manufacturers.

- New, used, and surplus quality SMT feeders at competitive prices
- Extensive inventory across Europe and Asia
- All feeders inspected, tested, and guaranteed functional
- Rapid quoting and delivery services
- 30 day to 6 month warranties available
- Flexible financing options
- Complete spare parts service

For parts not listed or special inquiries, please contact: liy@gs-smt.com

We provide prompt pricing and technical support for all your SMT feeder requirements.
